REPORTING PERIOD: 03/26/13 — 04/15/13

This Regional Expenditure Report, prepared by the California Film Commission, summarizes the economic benefits from filming activity that recently occurred in your local community.

Project: Need for Speed

Need for Speed, produced by Dreamworks Pictures, is based on the popular video game about a street racer who joins a cross country race. Driving scenes showcasing the spectacular Mendocino coast, wine country and rolling hills filmed in the county thanks to the support of businesses, residents, county supervisors, cities and the Mendocino County Film Commission.
